

okay so you're not gonna believe me but that's not even the end of it im so serious.

so basically - kenny directly copied parts of my vent from FEBRUARY 2021 for his recent vent animation. oh, also worth mentioning - that animation? i had it set on private on my alt channel for MONTHS. i do not know how he even GOT HIS HANDS ON IT. it makes me feel so sick. I DONT EVEN KNOW *WHY* HE CHOSE THAT VENT IN PARTICULAR I DONT KNOW ANYTHING ANYMORE. okay look just. anyways the next two files are the two animations - my vent from february 2021 and kenny's vent from october 29th this year.
